
NOTICE TO RECIPIENT OF NON-COMMERCIAL RESEARCH USE LICENSE AGREEMENT

Materials used in connection with this Non-Commercial Research Use License Agreement contain materials which are proprietary to Stratagene. When Licensee receives the Material, this Agreement shall be immediately binding.

License for Stratagene Vitality Fluorescent Protein Products

IMPORTANT INSTRUCTIONS – READ CAREFULLY: This Non-Commercial Research Use License Agreement ("Agreement") is the legal agreement between RECIPIENT (hereinafter "Licensee"), which will receive certain materials and Stratagene California ("Stratagene") (together, the "Parties"), for the non-commercial research use of any materials containing fluorescent proteins/genes proprietary to Stratagene, which are co-mingled with this mouse strain provided by:

Bradford Lowell, MD, PhD Beth Israel Deaconess Medical Center
(Transferring Researcher) (Transferring Organization)

(hereinafter, the "Transferring Party") (together, the "Materials"). This agreement authorizes transfer of Materials to Licensee by the Transferring Party, except for Designation of the licensee and transferring party, no portion of this agreement may be modified.

As a condition of the use of the Materials, Stratagene and Licensee agree as follows:

1. The Materials, containing DNA sequences encoding for fluorescent protein or variants thereof, are proprietary to Stratagene and licensed for non-commercial research purposes only. Licensee may modify only the non-coding region outside of the nucleic acid encoding the fluorescent protein of the Materials to facilitate research. Licensee shall not have any rights to (i) modify the coding region of the nucleic acid encoding the fluorescent protein of the Materials, (ii) offer the Materials or any component, derivative or modification thereof for resale, or (iii) distribute, transfer, or otherwise provide access to, the Materials or any component, derivative or modification thereof to any third party for any purpose or use.
2. Except as set forth above, no other rights, express or implied, are conveyed to Licensee. No rights are granted to Licensee to use the Materials for (i) the provision of services to any third party (e.g., screening and profiling), (ii) diagnostic applications, (iii) methods employed in screens to evaluate compounds (e.g., high throughput screening ("HTS")), (iv) profiling chemicals for selectivity, bioavailability, drug metabolism or toxicity, (v) use in vivo in multicellular organisms (and methods therein) for gene therapy, (vi) quality control or quality assurance processes, including food and environmental testing, or (vii) use in manufacturing.

3. The Materials shall be used solely on premises under the control of Licensee, and in compliance with all laws, regulations, rules and guidelines applicable to the Materials and their use, testing, handling, or other disposition thereof, or otherwise applicable to Licensee's activities hereunder.

4. Title to the Materials shall not transfer to the Licensee. Stratagene retains all rights not expressly granted herein, and there are no implied licenses granted herein.

5. STRATAGENE MAKES NO WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE MATERIALS; INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR THAT THE MATERIALS DO NOT INFRINGE ANY PROPRIETARY RIGHTS OF ANY THIRD PARTY.

6. To the extent authorized by law, Licensee shall bear all risks associated with the Materials and their use, testing, handling or other disposition thereof. To the extent authorized by law, Licensee hereby assumes all risks of damage or injury to Licensee's facilities, employees or agents and to any third party arising from possession or use of the Materials. Stratagene shall have no liability to Licensee, its employees or agents or to any third party, regardless of the form or theory of action (whether contract, tort or otherwise, including, but not limited to, negligence and strict liability), for any direct, indirect, consequential, incidental or other damages arising out of or relating to the Materials or this Agreement.

7. To the extent authorized by law, Licensee shall indemnify and hold Stratagene, its affiliates, distributors, directors, officers, employees and agents, harmless from and against any and all claims, actions, demands, liabilities and damages arising out of any damage alleged to have been caused by Licensee's use of the Products or the use, testing, handling or other disposition thereof by Licensee.

8. Licensee may at any time properly dispose of the Materials in a manner which ensures their prompt destruction and is consistent with all applicable laws, regulations, rules and guidelines.

9. This Agreement shall commence upon the receipt of the Materials and, subject to Section 10 continue as long as the Materials are in the possession of Licensee.

10. Either party may terminate this Agreement for any reason upon thirty (30) days written notice to the other party. The rights and obligations under Sections 1, 3, 5, 7, 9, and 11 shall survive any termination or expiration of this Agreement. Upon any termination or expiration of this Agreement, Licensee shall promptly destroy any remaining Materials and, if applicable, all materials cloned, replicated or otherwise reproduced.

11. No modification or waiver of any terms or conditions of this Agreement shall be effective unless in writing signed by Licensee and an authorized representative of Stratagene. This Agreement shall not be assigned or otherwise transferred by Licensee.

If you find the above terms and conditions for use of the Materials unacceptable, please destroy the Materials immediately.
