NOTICE TO RECIPIENT OF STRAIN(S) 002456 Including progeny and derivatives, "MICE".

Use of MICE by for-profit entities or for Commercial Purposes requires a license from Bristol-Myers Squibb.

Contact for license inquiries:

Peter Kramer
Bristol-Myers Squibb Corporation
Attention: Senior Director External Science and Technology
Route 206 and Provinceline Road
Princeton, NJ 08543
peter.kramer@bms.com

Commercial Purpose means: uses of the MICE by any organization, including Recipient to perform contract research, screen compound libraries, produce or manufacture products for general sale, or to conduct research activities that result in sale, lease, licenses or transfer of the MICE to a for-profit organization. However, industrially sponsored academic research shall not be considered a use of the MICE for Commercial Purposes per se, unless any of the above conditions of this definition are met.

As a service to the biomedical research community, The Jackson Laboratory ("JACKSON") provides MICE to Recipient solely for research use and not for a Commercial Purpose. Each Recipient of MICE from JACKSON agrees that MICE and any by-products derived from the MICE shall be used by Recipient solely for internal research and shall not be sold or transferred or provided to any third party. Each Recipient further agrees not to use any agent or other third party to provide breeding or other services with respect to the MICE without the prior written agreement of JACKSON. Acceptance of the MICE from JACKSON shall be deemed agreement to these terms. The original source of the MICE is The DuPont Pharmaceutical Company (formally the DuPont Merck Pharmaceutical Company) ("DuPont").

THE MICE ARE EXPERIMENTAL IN NATURE AND ARE PROVIDED WITHOUT REPRESENTATION OR WARRANTY OF ANY SORT, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY REPRESENTATION OR WARRANTY RESPECTING THE PERFORMANCE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SAFETY, OR THAT USE OF THE MICE WILL NOT INFRINGE ANY PATENT OR OTHER PROPRIETARY RIGHT OF ANY THIRD PARTY.

The Recipient shall bear all risk and responsibility and liability for any loss, claim, damage, illness, or injury arising from the Recipient's acceptance, use, and disposal of the MICE. Consistent with the foregoing, Recipient shall hold The Jackson Laboratory and DuPont/Bristol-Myers Squibb harmless from any loss, claim, damage, illness, or injury to persons or property whatever the cause may be arising out of Recipient's use of the MICE.

ACCEPTANCE OF THE MICE BY RECIPIENT SHALL BE DEEMED AGREEMENT TO THESE TERMS.
