
This mouse strain (including any and all progeny, "MICE") is distributed by The Jackson Laboratory and subject to Jackson's General Terms and Conditions available at <https://www.jax.org/about-us/legal-information/terms-and-conditions-of-product-use> and to the terms and conditions for MIT GEMS defined and described below.

The Massachusetts Institute of Technology ("MIT") has the right to distribute "MIT GEMS" (as defined below) to for-profit and non-profit third party researchers, including via distribution from The Jackson Laboratory.

"MIT GEMS" shall mean genetically engineered mouse lines generated by MIT using the wild type inbred C57BL/6NTac strain background.

Taconic Biosciences, Inc. ("Taconic") is permitting MIT GEMS to be distributed as a service to the research community. Taconic disclaims all express or implied warranties with respect to the MIT GEMS. The recipient of these MIT GEMS hereby releases Taconic from any and all liability, causes of action or damages, including any direct, indirect, special, or consequential damages, arising out of the provision of MIT GEMS.

Receipt of these MICE signifies the recipient's agreement with these terms.
