**This mouse strain (including any and all progeny, "MICE") is distributed by The Jackson Laboratory with the following terms and conditions.**

The Spinal Muscular Atrophy Foundation ("SMA Foundation") and Regeneron Pharmaceuticals, Inc. ("Regeneron") have collaborated to develop MICE as candidate models for research in SMA. The Foundation has agreed to make MICE available for public distribution by The Jackson Laboratory ("JACKSON") to accelerate research and therapeutic development in SMA.

Commercial researchers interested in using MICE are required to contact the SMA Foundation for approval prior to shipment.
