Commercial Purpose means: uses of the MICE by any organization, including Recipient to perform contract research, screen compound libraries, produce or manufacture products for general sale, or to conduct research activities that result in sale, lease, licenses or transfer of the MICE to a for-profit organization. However, industrially sponsored academic research shall not be considered a use of the MICE for Commercial Purposes per se, unless any of the above conditions of this definition are met.

As a service to the biomedical research community, The Jackson Laboratory ("JACKSON") provides MICE to Recipient solely for research purposes. Each Recipient of MICE agrees that: (i) the MICE shall be used solely for internal research purposes and shall not be sold or transferred to or provided for use by any third party; and (ii) Recipient shall not breed or crossbreed the MICE for sale or transfer to or use by any third party. Recipient agrees not to use any agent or other third party to provide breeding or other services with respect to the MICE without the prior written agreement of JACKSON. Acceptance of the MICE from JACKSON shall be deemed agreement to these terms. The original source of the MICE is the INSTITUTIONS.

THESE MICE ARE EXPERIMENTAL IN NATURE AND JACKSON MAKES NO REPRESENTATION AND EXTENDS NO WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR ANY WARRANTY OF NON-INFRINGEMENT OF ANY PATENT, TRADEMARK, OR OTHER INTELLECTUAL PROPERTY RIGHTS.

In no event shall JACKSON or INSTITUTIONS be liable for any use of the MICE, and recipient hereby agrees to defend, indemnify and hold JACKSON and INSTITUTIONS harmless from any loss, claim, damage or liability which may arise from Recipient's use, storage and disposal of the MICE.
